

A new collaboration project for Elían's School, Spain and Sidcot School, UK

Sidcot
Live Adventurously

AN EXCITING NEW OPPORTUNITY IS PRESENTED TO ELIAN'S STUDENTS TO EXPERIENCE EDUCATION AT A TRADITIONAL UK DAY & BOARDING SCHOOL

Sidcot School offers a limited number of short-term stays (1 or 2 terms) for some students each term, ages 12-16 to study the British curriculum (GCSE, A Levels, BTEC and the IB Diploma).

All applicants will be assessed in English and Maths and have an online interview. Places will be subject to availability.

My daughter, Laura, joined Sidcot for one term in Year 9 as a boarder at Newcombe, and what a fabulous adventure she has had. Laura has met so many wonderful people here at Sidcot who have made her feel like part of the community from day one and provided her with one of the most wonderful experiences of her life. While Laura and her friends would love for her to stay longer, in the end we decided to make this experience just one term, however as Laura was so happy during her time at Sidcot, we would love to send Laura back in Year 12 and 13 to do the IB Diploma. Thank you to everyone at Sidcot for your time and dedication to Laura and to us. - Marisa Cafarelli, September - December 2023
